

MIXER LIFT

- Will Lift Mixer 30"
- Made in the USA
- Stop at Any Height and Dump
- Easy to Operate
- Available For All Daniels Mixers
- All Stainless Steel Construction
- Reliable Hydraulic System

The Mixer Lift makes your mixer universal. You can load the mixer at a comfortable height and raise it to dump into a higher cart. The Mixer Lift is all heavy duty stainless steel construction. It is powered by a reliable hydraulic system. It can be stopped at any height and raised up to 30" high. It has 4 swivel locking wheels for easy mobility. The Mixer Lift is available for all Daniels Food Equipment mixers.
